Group Administrator Handbook

Introduction to UHA

About UHA

UHA is a mutual benefit society dedicated to providing access to quality health care services while protecting our members from financial loss due to illness or injury.

UHA was founded in 1996 by physicians who were faculty members of the John A. Burns School of Medicine of the University of Hawaii. These physicians recognized the need for a health insurance company that holds quality health care as its highest value.

What's in the UHA Group Administrator's Handbook?

The purpose of this handbook is to assist you in coordinating your organization's medical benefits program with us. From enrolling your employees to balancing your monthly premium statements, this handbook describes all procedures and forms you will need to administer your health plan.

This handbook has several sections designed to answer Group Administrators' most frequently asked questions and to help ensure that UHA members receive the greatest value from their coverage:

Who Do I Contact At UHA? We provide a quick reference guide of UHA department phone numbers and their functions to guide you when you need assistance.

What Are UHA's Eligibility and Enrollment Procedures? We describe all aspects of enrolling employees, maintaining your group's eligibility records and reporting changes. All necessary forms are also provided.

How Will I Be Billed? Our schedules of monthly billing process and payment procedures are outlined for you.

How Will Our Employees Claims Be Processed? UHA's claims filing procedures and processing policies are detailed.

This handbook should be used in conjunction with the following documents provided by UHA:

The **UHA Summary of Benefits** provides a brief, non technical overview of subscriber health plan benefits.

The **Agreement for Group Health Plan** is your contract with UHA.

The **Medical Benefits Guide (MBG)** provides a comprehensive overview of your health plan benefits. You are required to make this guide available to all of your covered employees. It is available on UHA's website, member portal or upon request.

Smoking/Tobacco Cessation
Quitting tobacco is much easier said than done. To aid members in their efforts, we offer smoking cessation classes and nicotine replacement products as covered benefits.

Seasonal Flu Shots
As part of our efforts to increase prevention of the flu, we are offering the flu shot to our members during the flu season (October through February).
Onsite Flu Shots are available to Employer Groups with 25 or more employees.

More information on the programs above can be found on our website, uhahealth.com or contact our Health Care Services Department at 532-4006 or 1-800-458-4600 ext. 300 when calling from the Neighbor Islands.

Coordination of Benefits

If you or any of your employees have other insurance coverage, for example through a spouse or Medicare, that provides benefits similar to those of this plan; please inform UHA. We can "coordinate" the benefits of the two plans. When benefits are coordinated, the benefits paid under this plan, when combined with the benefits paid under your other coverage, will not exceed the lesser of:

- 100% of the eligible charge
- the amount payable by your other coverage plus any deductible and copayment you would owe if the other coverage were your only coverage

Any deductible and copayment you owe under this plan will first be subtracted from the benefit payment. You remain responsible for the deductible and copayment owed under this plan, if any. Coordinating benefits between insurance carriers can benefit you and affect your claims payments.

For more information such as general rules, the Member's and UHA's responsibility, please refer to your MBG.

Employees or Dependents age 65 and older

Employees or dependents age 65 and older may be able to qualify for Medicare coverage. For these employees or dependents, having Medicare coverage can lower their out-of-pocket medical costs.

If your company has 20 or less employees, Medicare qualified members may be required to have Medicare Part A and Part B in addition to their group coverage to avoid paying a penalty fee. Please refer to Medicare.gov for more information.

Please provide Medicare information for members age 65 or older if available. If no documentation is received, the members may be defaulted to Medicare primary in order to ensure proper processing of their claims.

Dependents up to age 26

Eligible dependents may be enrolled during the initial enrollment of the employee. Eligible dependents include an employee's lawful spouse, Civil Union partner, and children up to age 26 including stepchildren, legally adopted children, and qualified children placed for adoption.

Dependent enrollment eligibility updates will become effective on the first day of the month following notification to UHA. For newborns or dependents to be eligible from the date of birth or adoption, newborn or adopted child enrollment information must be received by UHA within 31 days from the date of birth or the date of adoptive custody. Premiums are due for the month in which the child is born; UHA does not prorate premiums.

> For example: If John Smith's dependent is born on March 10, the Group Administrator must submit a Member Enrollment Form to enroll the dependent by April 10 (31 days) for an effective date of March 10. Premiums are due for the entire month of March. If UHA does not receive this information within 31 days, the child will not be covered from date of birth and will not be enrolled until the next open enrollment period.
>
> The Group Administrator must submit to UHA a copy of the birth or hospital certificate for newborns, or adoptive placement and a copy of the legal adoption document for adopted dependents, with the Member Enrollment Form within 31 days of birth or adoption. If the required documents are not received with 31 days of birth or adoption, the child will not be enrolled until the next open enrollment period.

Disabled Dependent age 26 and older

UHA recognizes children as dependents under "disability" within the following guidelines:

1. Written documentation has been provided for enrollment demonstrating that:
    a. The child is incapable of self-sustaining support because of a physical or mental disability.
    b. The child's disability existed before the child reached 26 years of age.
    c. The child relies primarily on parent or legal guardian, who is a UHA member, for support and maintenance as a result of their disability.
    d. The child is enrolled with us under this coverage or another qualified health insurance coverage, and has had no break in health insurance coverage since before the child's 26th birthday.
2. Member must provide this documentation to UHA within 31 days of the child's 26th birthday and subsequently at our request, but not more frequently than annually.

To apply for extended disabled dependent coverage, the employee must do the following:

- Have the dependent's physician complete a **Dependent Disability Certification Form**
    - Please duplicate copies as needed for multiple dependents
- Submit the completed Dependent Disability Certification Form to UHA at least 31 days prior to the dependent's 's 26th birthday

- Proof of continuous coverage may also be requested.

Once the completed form and documentation is received, UHA will use the medical information submitted to determine if the child qualifies as a disabled dependent. All Dependent Disability Certification Forms are subject to review by UHA's Chief Medical Officer and/or Medical Director.

Disabled Dependent Enrollment Guidelines

A child who is age 26 or over may be enrolled as a dependent if he or she is disabled by providing UHA:

1. Written documentation acceptable to UHA demonstrating that:

    a. The child is incapable of self-sustaining support because of a physical or mental disability.
    b. The child's disability existed before the child turned 26 years of age.
    c. The child relies primarily on parent or legal guardian, who is a UHA member, for support and maintenance as a result of their disability.
    d. The child is enrolled with us under this coverage or another qualified health insurance coverage, and has had no break in health insurance coverage since before the child's 26th birthday.

2. The documentation must be provided to UHA within 31 days of the child's 26th birthday and subsequently at our request but not more frequently than annually.

To apply for disabled dependent coverage, the subscriber must:

- Have the dependent's physician complete UHA's **Dependent Disability Certification Form**. One form for one dependent.

- Assist UHA, if necessary, in obtaining the medical records or other medical documentation from the dependent's physician.

- Submit the completed Dependent Disability Certification Form to UHA at least 31 days prior to the dependent's 26th birthday.

- Upon request, provide proof of legal guardianship, medical power of attorney, federal disability certification or identification card such as Social Security disability certification letter or identification card from Centers for Medicare and Medicaid Services, tax filings or continuous coverage.

Once the completed form and documentation is received, UHA will use the information submitted to determine if the child qualifies as a disabled dependent under the subscriber's UHA coverage. All information is subject to review by UHA's Chief Medical Officer and/or Medical Director.

Reciprocal Beneficiaries

A reciprocal beneficiary relationship is a legal partnership between two people who are prohibited from marriage. UHA will extend health insurance benefits to the reciprocal beneficiary of an eligible employee if all of the following criteria are met:

- The employee is in a reciprocal beneficiary relationship as defined by Chapter 572C, Hawaii Revised Statutes; and
- The Employer Group requests in writing that UHA extend eligibility to Reciprocal Beneficiaries of its employees
- The employer or employee provides to UHA a Certificate of Registration of Reciprocal Beneficiary Relationship from the State of Hawaii Department of Health.

Domestic Partnership

Domestic partnerships refer to relationships between two persons who are eligible for marriage under Hawaii law, but are not married. UHA will extend coverage to domestic partners at the request of an Employer Group. A UHA Domestic Partnership Employer Representation form and UHA Domestic Partnership Affidavit form must be completed, signed and approved by UHA before a domestic partner can be enrolled.

Eligibility requirements for domestic partners are:

- Both domestic partners are at least 18 years of age and mentally competent to enter into a domestic partnership.
- Both domestic partners must live together and share the same place of residence and intend to continue to do so indefinitely.
- Neither may be married nor have another domestic partner.
- Neither would be prevented from marrying the other under Hawaii State law or on account of blood relationship to the other.
    a. Domestic partners are not related by blood closer than would bar marriage under Hawaii State law.
    b. Ancestors and descendants of any degree, brother and sister of the half and whole blood, uncle/niece, and aunt/nephew, whether the relationship is legitimate or illegitimate, cannot marry.
- Both domestic partners agree that they are economically, jointly and severally liable to third parties for the common necessities of life, defined as food, shelter and medical care.
- Both domestic partners agree that this shall remain the case for expenses incurred during the period that the non-employee domestic partner is covered by the group. The individuals do not need to contribute equally or jointly to the cost of these expenses as long as they agree that both are responsible for the costs.Both domestic partners must

live at the same address, and provide proof of eligibility through one or more of the following:

a. Joint ownership of property
b. Joint bank account
c. Domestic partner is named as a beneficiary on employee's life insurance policy or will
d. Joint mortgage or lease
e. Durable power of attorney for property or health care naming the domestic partner as designee

- Children of domestic partners will be allowed to enroll, if they meet UHA's standard eligibility requirements.

All other UHA eligibility requirements, qualifying events, and deadlines for all members will apply similarly to domestic partnerships. The Employer group must administer the benefits themselves and the Group must send UHA a copy of the signed affidavits for Health Plan's reference. Refer to the following pages for samples of the UHA Domestic Partnership Employer Representation and UHA Domestic Partnership Affidavit forms.

Civil Unions

A Civil Union is a union between two individuals established pursuant to Chapter 570A, Hawaii Revised Statutes. UHA will extend dependent health insurance benefits to the partner of an eligible employee if the eligible employee and partner have entered into a Civil Union under Chapter 570A, Hawaii Revised Statutes. UHA may require the eligible employee to submit a certified Civil Union license evidencing a Civil Union under Chapter 507A, Hawaii Revised Statutes, in order to verify eligibility for coverage.

UHA DOMESTIC PARTNERSHIP EMPLOYER REPRESENTATION

1. UHA will extend coverage to all eligible Domestic Partners of the Employer Group (eligibility is defined in UHA Domestic Partnership Affidavit).

2. The Employer Group does not establish policies that would discriminate against Domestic Partners. Examples of these types of practices include the following:
   a. Applying pre-existing condition clauses to Domestic Partners only,
   b. Making coverage for Domestic Partners different from that of other subscriber's dependents, and
   c. Having different rates for employees with Domestic Partners versus subscribers with other kinds of dependents.

3. The Employer Group agrees to pay the same amount toward the cost of coverage for a subscriber with an enrolled Domestic Partner or Domestic Partner with children, as it pays toward the cost of coverage for a subscriber with a spouse, or spouse with children.

4. Domestic Partnerships will remain eligible until UHA receives a written notice that has been signed by the Group Administrator or an officer of the company. Allowed changes to the eligibility of Domestic Partnerships will only be effective on the renewal date of the Employer Group.

REQUIRED SIGNATURE

The Group Administrator for the Member Group certifies by signature below that the information provided above is the most current and accurate information and the information complies with the Enrollee eligibility and termination requirements in the contract between UHA and Member Group. Eligibility requirements include that the subscriber is a bona fide "regular employee" as defined by the Hawaii Prepaid Healthcare Act (HRS Chapter 393) and any dependent is an Eligible Dependent of the subscriber. The Group Administrator understands that UHA may terminate coverage for any ineligible Enrollee upon confirmation of ineligibility.

If UHA finds enrollment of Enrollee(s) to be based on False Statements, coverage for the Member Group and/or the Enrollee(s) may be retroactively terminated. For retroactive termination, UHA shall return all premiums paid for the time period after the termination date and the Member Group and/or ineligible Enrollee(s) shall return any benefit payments made by UHA for the same time period.

Under penalty of perjury, the Group Administrator certifies that the social security number shown on this form is correct for the subscriber and/or dependent (or they are waiting for a number to be issued).

Termination of Coverage

You may submit termination forms for an employee and/or their dependents at any time. Possible reasons for terminating coverage (disqualifying events) include:

- The employee no longer is employed with your company
- A reduction of employee's hours to fewer than 20 hours a week
- The employee is on leave of absence (at the employer's discretion)
- Death of employee
- Voluntary cancellation by employee who has dual health insurance coverage.

Completed termination forms must be received prior to the end of the month in which an employee or their dependent(s) no longer meet the eligibility criteria set forth in the Medical Benefits Guide. Coverage will end on the last day of the month following proper notification to UHA. **No retroactive terminations or mid-month terminations are allowed.**

For example: John Smith does not wish to cover his wife under his health plan starting April 1. The Member Termination form was submitted late to UHA on April 5, so coverage for the spouse cannot be terminated until April 30, and the Employer will be responsible for premiums for the spouse for the month of April. If the Member Termination form was received on March 29, the spousal coverage would have been terminated on March 31.

Please enter the termination date as the end of the month.

For example: If termination should be July 31, do not enter August 1. If the termination form shows August 1, coverage will be terminated on August 31, even if the form was received in July.

The **Member Termination Form** is used to terminate all benefit coverage for the employee and his/her spouse, Civil Union partner, and dependents. When an employee's coverage is terminated, coverage for dependents is automatically terminated as well.

- Once an employee is enrolled and voluntarily terminates coverage or the coverage for dependents, re-enrollment will not be allowed until the next open enrollment period.

- However, if the employee terminates coverage because coverage was to be provided through a spouse/Civil Union partner's program and later experiences a status change, UHA permits re-enrollment on the first day of the month following the status change.

Please use the Member Termination Form to terminate dependent eligibility (such as the eligibility of a spouse, Civil Union partner and/or child) if the employee remains eligible. Please enter the termination date for each dependent.

Group Terminations Notice Provision

An employer group may cancel its contract with UHA upon 60 days prior written notice to UHA. Please refer to your group contract for your notice provision. **No retroactive terminations will be accepted**.

Group Contract Terminated for Non-payment of Premiums

A group will be terminated for non-payment of premiums. UHA will notify the Group in writing of its delinquency and if delinquency continues, UHA will terminate the Group. When a Group terminates, coverage for all of its employees and COBRA-covered employees is terminated.

A group canceled for non-payment of premiums may be reinstated based upon approval and upon payment of all outstanding premiums and any applicable fees.

Termination due to Fraud

UHA retains the right to rescind or terminate a Group's contract if coverage for the Group or any Enrollee(s) was obtained through fraud, intentional misrepresentation of a material fact by the Group, intentional omission of any material fact or Group's failure to promptly notify UHA that an Enrollee or Group is no longer eligible or in compliance with the Underwriting Rules. The Enrollee and/or Group will be given a thirty (30) days notice prior to prospective or retrospective termination of coverage.

Eligibility Audits

UHA reserves the right to conduct audits of Member Groups for compliance with the terms of the Agreement for Group Health Plan, including but not limited to membership eligibility, enrollment and group participation requirements. Member Group shall promptly provide to UHA within ten (10) business days, any records requested by UHA to determine compliance with this Agreement.

Member Group shall prepare and maintain accurate and complete records demonstrating eligibility of all Enrollees in accordance with UHA's Underwriting Rules. Such records shall be retained and produced upon request to UHA at any time during the term of this Agreement and for three (3) years following termination of this Agreement. Such records shall include but not be limited to Member Group's (a) General Excise Tax License and Department of Labor number, (b) payroll records reflecting each Eligible Employee's date of hire, pay and hours worked, (c) records reflecting the FICA tax deductions for each Eligible Employee, (d) records reflecting the health plan enrollment status of all employees, including any signed waiver forms in compliance with HRS § 393-21, (e) records demonstrating each Enrolled Employee's coverage under Unemployment Insurance, Workers Compensation Insurance, and Temporary Disability Insurance, and (f) if any exemption from the above requirements is claimed as to any Eligible Employee, then records demonstrating a valid legal and factual basis for statutory exemption from any of the above requirements.

UHA Provider Network

Using Participating Providers

The payment made by this plan and the **Co-payment** amount that the member must pay depend on the category of provider from whom services are received. A **Provider** may be "**Participating**" with UHA or "**Non-Participating**."

Participating means that a **Physician, Hospital**, or other licensed health care provider has signed a contract with UHA to provide benefits under this plan. The contract requires that the provider collect only:
(a) the **Eligible Charge** paid by UHA for the **Covered Services** delivered
(b) the applicable co-payment
(c) billed charges for non-covered services
(d) the applicable state excise tax, based on the eligible charge

Participating providers also agree to participate in and abide by UHA's credentialing, quality improvement and utilization management programs.

There are many participating providers throughout Hawaii. Please refer to the UHA Participating Physicians and Health Care Provider Directory for a listing. If a Directory was not received at the time of the enrollment, please call Customer Services and one will be sent without charge. This listing may have changed since the date of printing, therefore, it is always a good idea to check with the provider to make sure he or she is still participating with this plan. A Directory is also available on UHA's website at uhahealth.com.

It is also important to understand that a specific physician or other provider may be a participating provider at one office location, but be Non-Participating at another location. Additionally, a hospital may be a participating hospital, but some of the physicians or other individual licensed providers who practice at that hospital may not be participating providers with UHA. It is always a good idea to verify that each provider is participating with UHA before you receive services, in order to help minimize health care costs.

Using Non-Participating Providers

A **Non-Participating Provider** is any health care provider who does not have a contract with us to participate with the selected UHA plan, including out-of-state providers.

Visits to a provider that is not participating with UHA are permissible. UHA will pay the eligible charge for covered services less the co-payment or **Coinsurance**, and the payment will be made directly to the subscriber of the plan. The total charge will then be paid to the provider (which includes any difference between UHA's payment and the total **Actual Charge**) plus the applicable taxes for each service. UHA has no contract with non-participating providers to guarantee the amount of charges assessed. UHA does not recognize assignment of benefits to nonparticipating providers. At our sole discretion, however, we will make payments directly to nonparticipating hospitals for **Inpatient** services.

Please note: Participating providers may refer services to a non-participating provider and that may incur a higher out-of-pocket expense. For example, a participating provider may refer to a Non-Participating specialist for additional care. Requesting a referral

to a participating provider may help minimize health care costs.

Out of State Policy

The service area for UHA is the State of Hawaii.

We have a special arrangement with a mainland contractor to help members control their health care expenses in the event of a travel emergency. A travel emergency is a medical emergency that occurs while traveling outside of the Service Area. For example, a member suffers a broken limb while vacationing in Las Vegas.

For more information on the Out-of-State Policy, please refer to your MBG.
For more information on participating and non-participating providers, please refer to your MBG.

Using your Member Identification Card

Members should make sure to show a UHA Identification Card when they receive services from any provider.

SAMPLE UHA IDENTIFICATION CARD
(ID card sample is for illustration only and may look different)

UHA automatically prepares UHA Identification Cards for all employees covered under your health plan once enrollment forms are received and processed. A UHA Identification Card will be mailed to the employee within five (5) business days of receipt of a completed enrollment form. Each covered dependent will receive a card listing the employee's name and the dependent's name(s).

The UHA Identification Card lists:

1. Your company's group number
2. The name of the covered person
3. The identification number of the covered person
4. Benefit coverage

Providers often contact UHA to verify eligibility and benefits; therefore it is important that the insured person present their current UHA Identification Card to their provider (doctor, hospital, pharmacy, etc.) of services. Please remember that the UHA Identification Card is for informational purposes only and does not guarantee coverage. Coverage is determined based on eligibility and plan benefits.

Employers and/or employees are responsible to repay UHA for services paid by UHA as a result of a retroactive termination.

- **For replacement of lost UHA Identification Cards:**

  1. Contact the UHA Customer Services Department:

     On Oahu ..... **(808) 532-4000**

     Neighbor Islands.....**1-800-458-4600**

  2. Members may download the Request for UHA Identification Card form from our website and submit it to UHA Employer Services as instructed on the document. Members may print a temporary Member ID Card from the Online Member Portal. Members can register for access to the Online Member Portal at portal.uhahealth.com/Member/Account/registeruser

Dental Identification Card

Separate Dental Identification Cards are generated by **Hawaii Dental Service (HDS)** for employees that obtain dental coverage through their employers.
Please note that dental coverage is a separate rider and is not included in the MBG.

Paying Claims

In order for UHA to pay for a covered service, all of the following payment determination criteria must be met:

- The service must be listed as a covered benefit and not be excluded as a benefit by the member's UHA plan
- The service must be medically necessary for the diagnosis or treatment of the member's illness or injury
- the service must be provided in an appropriate setting and at an appropriate level of care
- When required under the member's UHA plan, the service must be prior authorized

The fact that a physician or other provider may prescribe, order, recommend, or approve a service or supply does not in itself mean that the service or supply meets these payment criteria, even if the service or supply is listed as a covered service in the member's UHA plan.

For more information on filing and paying medical claims, please refer to the MBG.

Filing Drug & Vision Claims

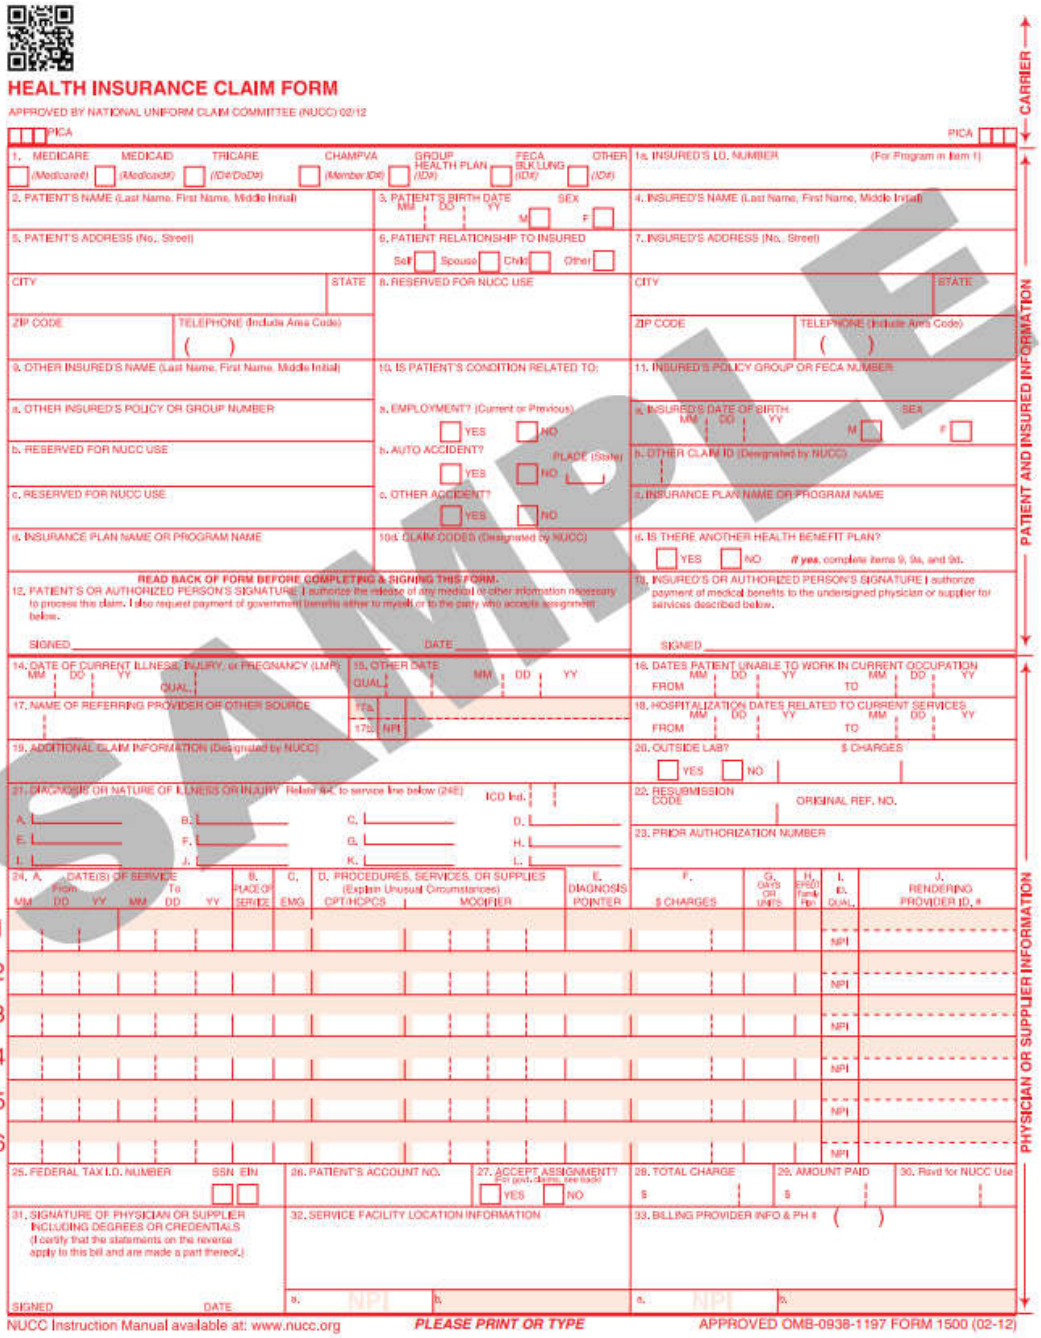
How to File a Drug Claim

1. Present UHA prescription identification card to the provider of services.
2. Participating providers will electronically file claims on behalf of the member, and payment is made to provider.
3. When drugs are purchased from a Non-Participating Provider, or if you paid out of pocket for your drugs, you can submit your receipts for reimbursement via fax to Express Scripts at 877-329-3760. There is a direct member reimbursement form (DMR) located on the Express Scripts website that you may send with your receipts that will ensure timely reimbursement. You should note that the reimbursement is likely to be less than if you used a participating pharmacy.
4. Claims must be filed within ninety (90) days from the date the drug is purchased.

How to File a Vision Claim

1. Present UHA member identification card to the provider of services.
2. Ask the provider of service to file a claim (CMS-1500) on behalf of the member.
3. Participating providers will file claims on behalf of the member, and payment is made to provider.
4. When services are received from a Non-Participating Provider, members should send UHA a copy of the itemized receipt / invoice along with a copy of your UHA medical card.
5. Claims must be filed within one (1) year after the date of service.
6. Please allow 15 – 20 days for processing.

SAMPLE CLAIM FORM



Third Party Liability (TPL)

Third party liability situations occur when a member is injured or become ill and:

- the injury or illness is caused or alleged to have been caused by someone else and the member has or may have the right to recover damages or receive payment in connection with the illness or injury, or
- the member has or may have the right to recover damages or receive payment from someone else for the member's injury or illness, without regard to fault.

When third party liability situations occur, UHA's Plan will provide benefits only as set forth in the Rules described in the MBG. **For more information on TPL, please refer to the MBG.**

Important Health Care Laws

Prepaid Health Care (PHC) Act

Originally enacted in 1974, the Hawaii PHC Act was the first in the nation to set minimum standards of health care benefits for workers. Employers, excluding Federal, State and City government and other categories specifically excluded by the law (sections **393-3(8)**, **393-5** and **393-6**) are required to provide Hawaii employees who suffer a disability due to non-work related illness or injury with adequate medical coverage for non-work related illness or injury, protecting them from the high cost of medical and hospital care.

Employers must provide health care coverage to employees who work at least twenty (20) hours per week for four (4) consecutive weeks. Coverage commences after four (4) consecutive weeks of employment or the earliest time thereafter at which coverage can be provided by the health care plan contractor, which is usually the first of the month. For more information on the Hawaii PHC Act, visit the State of Hawaii Department of Labor & Industrial website at hawaii.gov/labor.

HIPAA

The Health Insurance Portability and Accountability Act (HIPAA) provide rights and protections for participants and beneficiaries in group health plans. HIPAA includes protections for coverage under group health plans that limit exclusions for preexisting conditions; prohibits discrimination against employees and dependents based on their health status; and allows a special opportunity to enroll in a new plan to individuals in certain circumstances. HIPAA may also provide the right to purchase individual coverage if group health plan coverage is not available and COBRA or other continuation coverage has been exhausted. For more information on HIPAA, visit the U.S. Department of Labor website at dol.gov.

COBRA

The Consolidated Omnibus Budget Reconciliation Act (COBRA) gives workers and their families who lose their health benefits the right to choose to continue group health benefits provided by their group health plan for limited periods of time under certain circumstances such as voluntary or involuntary job loss, reduction in the hours worked, transition between jobs, death, divorce, and other life events. Qualified individuals may be required to pay the entire premium for coverage up to 102 percent of the cost to the plan.

COBRA generally requires that group health plans sponsored by employers with 20 or more employees in the prior year offer employees and their families the opportunity for a temporary extension of health coverage (called continuation coverage) in certain instances where coverage under the plan would otherwise end.

COBRA outlines how employees and family members may elect continuation coverage. It also requires employers and plans to provide notice. See Section IV regarding COBRA Services Provided by UHA. For more information on the COBRA law, visit the U.S. Department of Labor website at dol.gov.

Employee Retirement Income Security Act of 1974 (ERISA)

The Employee Retirement Income Security Act of 1974 (ERISA) is a federal law that sets minimum standards for most voluntarily established pension and health plans in private industry to provide protection for individuals in these plans.

ERISA requires plans to provide participants with plan information including important information about plan features and funding; provides fiduciary responsibilities for those who manage and control plan assets; requires plans to establish a grievance and appeals process for participants to get benefits from their plans; and gives participants the right to sue for benefits and breaches of fiduciary duty.

For more information on ERISA, visit the U.S. Department of Labor website at dol.gov.

Uniformed Services Employment and Reemployment Rights Act

The Uniformed Services Employment and Reemployment Rights Act were signed into law on October 13, 1994. This law requires employers to offer up to 24 months of continuation coverage to employees who take military leave, and their dependents. The law is very similar to COBRA, with two important differences. First, it applies to all employers - COBRA generally exempts employers that have fewer than 20 employees. Second, if the military leave is longer than 31 days, employers can charge up to 102 percent of the premium. If the leave is shorter than 31 days, employers can only charge up to the active employee share of the premium.

UHA does not provide administrative services related to USERRA. UHA will include the employee on the billing statement but the employer is responsible for billing the employee for the premiums. You should consult with your attorney or legal advisor if you have any questions about the applicability of this act to you as an employer.

Patient Protection and Affordable Care Act (PPACA)

The Patient Protection and Affordable Care Act (PPACA), also known as the Affordable Care Act (ACA) is a United States federal statute that was signed into law on March 23, 2010. The changes implemented by the ACA are focused on reducing the uninsured population and decreasing healthcare costs.

Qualified Medical Child Support Order (QMCSO)

Any claim for benefits with respect to a child covered by a Qualified Medical Child Support Order ("QMCSO") may be made by the child or by the child's custodial parent or court-appointed guardian. Any benefits otherwise payable to the member with respect to any such claim shall be payable to the child's custodial parent or court-appointed guardian.

For more information about how UHA handles QMCSO's, please contact Employer Services at 532-4007 or 1-800-458-4600 ext. 299 when calling from the Neighbor Islands.

Medicare Part D Notice – Notification of Creditable Coverage

If your company offers a group-sponsored drug plan to Medicare-eligible individuals, you are required under the Medicare Modernization Act (MMA) to provide a Creditable Coverage notice to all of your Medicare-eligible beneficiaries.

Most entities (Employer Groups) that currently provide prescription drug coverage to Medicare Part D eligible individuals must disclose to the Centers for Medicare & Medicaid Services (CMS) whether the coverage is "creditable prescription drug coverage" (Disclosure Notice). A disclosure is required whether the entities' coverage is primary or secondary to Medicare. Entities that must comply with these provisions are listed at the CMS website.

For more information, please visit uhahealth.com/page/medicare-part-d.

COBRA Services

On April 7, 1986, Congress enacted the Consolidated Omnibus Budget Reconciliation Act (COBRA). This law requires employers with 20 or more employees that sponsor group health plans to offer employees and their families the opportunity for temporary extension of health coverage at group rates in certain instances where coverage under the health plan would otherwise end.

COBRA Services Provided by UHA

Employer groups eligible to receive UHA COBRA services are required to have a minimum of 20 employees. Interested groups should call the UHA Employer Services Department - COBRA Section for more information.

Every group health plan that provides COBRA should have a Group Administrator who may be the employer, an individual employed by the company, or an independent administrator. **While UHA is prepared to assist employers with their efforts to comply with COBRA, the final responsibility to meet the requirements of this law lies with the employer**. UHA does not serve as a Group Administrator, regardless of your election for UHA to perform collection and/or notification services. Employers should consult with their own legal counsel regarding questions about COBRA.

To assist Group Administrators, UHA offers the following COBRA services:

1. Collection of COBRA premiums
   Payments may be submitted through:
   - Mail
   - Direct Deposit
   - Credit Card
   - Automatic Deduction**

   **Written termination must be received by the 25th of the month to timely stop any deductions for the following month.
2. Notification to COBRA subscribers regarding

   - Ineligibility because of dual coverage
   - Rate and/or benefits change
   - Termination due to expiration of coverage period , non-payment, or premium delinquency

3. Monthly listing of Active COBRA members

   As a courtesy, UHA sends a payment reminder to all COBRA members monthly.

   UHA charges COBRA subscribers a 2% administration fee as allowed under COBRA regulations.

   If you elect to have UHA provide COBRA services, you must provide the following documents to qualified COBRA members:

   - COBRA Continuation Coverage Election Forms

General COBRA Information

A qualifying event is defined as an event that results in a loss of coverage which entitles qualified beneficiaries to COBRA benefits. The following are qualifying events and the corresponding maximum length of COBRA coverage:

1. Termination for reasons other than "gross misconduct": 18 months
2. Retirement: 18 months
3. Reduction in hours: 18 months
4. Left Employment: 18 months
5. Leave of absence: 18 months
6. Disability under the Social Security Act: 29 months
7. Divorce/legal separation: 36 months
8. Death of employee (dependents may continue coverage): 36 months
9. Loss of dependent child status under the health plan rules: 36 months
10. Subscriber/dependent becomes eligible for Medicare: 36 months

COBRA coverage does not extend to domestic partners nor to reciprocal beneficiaries who are not related by blood. COBRA does apply to Civil Unions.

Guidelines for COBRA Coverage

Please follow these guidelines for COBRA coverage:

- Timely submission of the completed COBRA Continuation Coverage Election Form with premium payment is essential. Current COBRA regulations require coverage to be elected within 60 days from the date of the qualifying event. Payment of the first premium must be made within 45 days from the election date. Employer at their option may pay COBRA premiums, but most employers choose to have the qualified beneficiary pay monthly premiums. UHA will not provide COBRA coverage if payment is not received within 45 days from the election date.

- Premiums may not exceed 102% of the applicable premium amount. Premiums may be increased to 150% only for the 19th through the 29th month of COBRA coverage if coverage is extended to 29 months because of an individual's disability at the time of termination. A Notice of Award letter from the Social Security Administration will be required prior to the 18th month of coverage to continue extended COBRA eligibility due to disability.

- COBRA coverage will terminate for the following reasons:
  - Coverage as an employee or as a dependent under any group health plan that does not contain any exclusions or limitations for any pre-existing conditions which you, your spouse or dependents may have;
  - Payment is not made on time;
  - The COBRA member meets the maximum length of coverage for their qualifying COBRA event;
  - The group terminates their group plan;
  - Coverage under Medicare (if Medicare becomes effective following COBRA coverage effective date).

If your company would like a COBRA eligibility listing from UHA, please contact the UHA Employer Services Department Enrollment Section.

Current and retroactive charges are shown in the detailed section of the premium statement. Returned check fees, reinstatement fees and legal fees are reflected on the "Other Fees" line.

2. A detailed premium statement, which includes an alphabetical listing of current eligible employees showing:

- Employee Identification Number
- Name
- Contract Type (**S**ingle, **T**wo-party, **F**amily)
- Rates for each benefit (Medical, Drug, Vision, Dental)
